RULES FOR REGISTRATION IN THE TEXEL SHEEP BREEDERS SOCIETY

Member # - please provide your member number, can be found on your last invoice

Farm Name - List your Farm Name or Last Name used in front of the animal's tag number.

Breeder - List the recorded owner of the dam at the time of breeding, and their information.

Owner - List the recorded owner of the dam at the time of lambing, and their information.

Sex - List the sex of each animal to be registered. Ram = R, Ewe = E

Flock Prefix & Private Flock Tag or Tattoo Number - Flock Prefix = the flock name that all the sheep you raise will carry. Use your last name or your farm or ranch name. Tag or Tattoo Number = the private flock tag or tattoo number that is in the ear of the animal to be registered. (see example in sample column on front page) Each animal must have a different private number. Each sheep MUST have a private identification tag or tattoo.

% Texel - List the percentage of the animal being registered.

Birth Type - List the birth type codes as S = Single, TW = Twin, TR = Triplet, QD = Quadruplet, QT = Quintuplet.

Breeding Type - List the breeding type as Nat = Natural Birth, AI = Artificial Insemination, ET = Embryo Transfer.

In the case of artificial insemination or embryo transfer, a statement from the veterinarian or technician performing the service should be attached to the application for registry.

Birthdate - List the complete birth date (month, day and year) of each animal being registered.

Sire: Registration # and Name, Private Flock Tag - List the sire's registration number along with the sire's flock prefix (name) and tag or tattoo number of the ram that sired the animal being registered.

Dam: Registration # and Name, Private Flock Tag - List the dam's registration number along with the dam's flock prefix (name) and tag or tattoo number of the ewe that dammed the animal being registered.

If animal being registered is also being transferred, then complete the last column:

Date of Sale and Buyers Information - If the animal being registered has been sold, list the complete date of sale (month, day and year) along with the new buyer's full name, farm name and complete address. Registrations and transfer may be done at the same time for these animals, however both registration and transfer fees do apply. If animal is not being transferred, then please leave this section blank.

Signatures:

of Owner of Dam - have the current recorded owner of the dam sign here.

of Owner of Sire - have the current recorded owner of the sire sign here. If owner of the sire is different (if ram was leased or borrowed for breeding purposes) then you can also complete a breeding certificate found below the left.

Payment (Work Order) - Payment must accompany all work! Please complete the Work Order Section on the left to help you figure your payment. This will also help the office staff to know what you are needing done for your order.

Breeding Certificate / Ram Lease - This is found on the back of the Work Order and will need to be completed if the owner of the ram is different than the owner of the lamb to be registered. The records must show that the ownership of the ram on the dates named matches the signature on the lease.

Artificial Insemination Certificate - Lambs born as a result of artificial insemination must have a completed AI Certificate. Please complete all sections of the certificate.

Embryo Transfer Certificate - Lambs born as a result of embryo transfer must have a completed ET Certificate. Please complete all sections of the certificate.
